

TA CONFERENCE CALL NOTES
March 21, 2008

- **Center for Results** contractor, Eclipse Solutions, officially began work on April 4, 2008 writing an IT Request for Proposal. Eclipse Solutions will solicit input from county commissions during the Pre-Conference Institute at the First 5 California 2008 Annual Statewide Conference.

We anticipate the RFO for the Strategic Research contractor will be released soon.
- **2007-2008 Annual Report (AR)**
A recently hired IT contractor, Auriga Corporation, began work on developing a new Web-based system for counties to input AR data. We have identified several volunteers to help test the system.
The 2007-2008 guidelines will have a different look and they will be easier to read and follow.
The forms and guidelines will be available by June 30, 2008 on the First 5 evaluation Web site.
- **Annual Report Training** will begin in July throughout the state. Please check the First 5 evaluation Web site in late May for further information.
- **PEDS Update**
A recently hired contractor will begin working on existing PEDS issues soon. Please continue to send PEDS requests to evaluation@ccfc.ca.gov.

Q: Could a copy of the Annual Report data dictionary be made available on the First 5 evaluation site?

A: **We will post the data dictionary on the First 5 evaluation site by 6/30/08.**
